Mr. Henry Moore,  
41 Auburn St.,  
Paterson, N. J.

Dear Mr. Moore:

I am enclosing you a schedule of the games to be played in Paterson the first half of the season, and have ordered the placards shipped directly to you. Please drop me a card when you receive them, so I will know the order has been taken care of. We will be expecting you to officiate as umpire at all the games.

If there is any phase of publicity you think we should take up, please write me about it. We are taking care of the newspapers directly from this office, and you are handling the placards. I am sending you a hundred placards. Will that be sufficient to cover all the territory you take care of, if it is not, let me know and I will send you more right away.

Very truly yours,
